19, 1978. The governing board consists of an elected board chair, and elected members of the board of directors. The Organization is supported primarily through contributions from an annual campaign, as well as, grant funds.

GGUW is a community leader in collective impact-driven work. To achieve our mission, we...

identify priority community issues around Health, Education and Income
utilize a strategic plan that directs GGUW to listen to the community, to provide leadership when warranted

secure resources through an annual fundraising campaign, grant writing, utilizing existing community assets and developing innovative partnerships
convene individuals, businesses, nonprofits and government to work collectively targeting root causes

 provide essential funding through our Community Investment/Impact process to vetted partner programs, ensuring donors that their dollars are wisely invested to make the most impact

 mobilize community members, businesses and their workforce to get involved by giving, advocating and/or volunteering

As a centralized philanthropy, we believe that real long-term change is best generated by a united effort, working collectively through a common agenda. When nonprofits are equipped to effectively collaborate, duplication is reduced and each partner's contribution multiplies to deliver greater results for the community.

Greater Gallatin United Way works on tough issues because...

- - Poverty is not a distant issue. It exists right here.
- - Mental illness is not a distant issue. It exists right here.
- - Illiteracy is not a distant issue. It exists right here.

No one organization alone in isolation can solve complex community problems. The only way we can create real, lasting change is by working together through Collective Impact. Collective Impact requires that everyone work together in partnership businesses, cities, government, schools, churches, foundations, and non-profit organizations - to tackle our most pressing challenges and develop lasting solutions.

Greater Gallatin United Way focuses on 4 Community Impact Areas:

Basic Needs - Ensuring basic needs are met I.

II. Children and Youth Success - Ensuring children and youth consistently get a strong start and have a solid foundation for success in school, work, and life.

III. Senior Stability - Ensuring older adults feel valued as community members and their physical and mental well-being needs are met.

IV. Behavioral Health and Well-Being - Cultivating individual resiliency by creating a collective shift in the community's understanding of mental health and behavioral health as a component of whole person health.

Our strategies to ensure Basic Needs are met:

- - End homelessness and advance affordable housing options (U.S. Government defines affordable housing as housing that consumes 30% or less of a household's income)

- - Eliminate food insecurity

- - Access to affordable health care
